Muhammad Ramadan

Developer

Age: 24 years
Address: Damascus, Syria
Mobile: (+963) 937515437
Email: mohadramadan2001@gmail.com

PROFESSIONAL SUMMARY

Skilled Web Developer with expertise in WordPress and Webflow, specializing in creating dynamic, user-friendly websites and e-commerce platforms. Adept at turning Figma designs into pixel-perfect Webflow builds, including animations and interactions. Proven track record in delivering high-quality, performance-optimized websites for various industries, with hands-on experience in maintaining and enhancing site functionality. Currently excelling at Sarrdeh Tech, where I contribute to website design, development, and optimization projects.
